RE: MUR 2314
National Republican
Senatorial Committee, and
Frederick W. Bassinger, as
treasurer

Dear Mr. Noble:

As I indicated in my letter of March 24, 1989, staffers of the National Republican Senatorial Committee ("NRSC") are working diligently to assemble and collate the information and materials requested by the Commission in its February 3, 1989 Subpoena to Produce Documents and Order to Submit Written Answers. I have spoken with Jonathan Levin of your office on several occasions since my letter, in an effort to keep him apprised of the NRSC's progress in this matter.

Mr. Levin has stated that it would be helpful to have, at this time and in advance of the main body of the NRSC's response, any currently available answers to the February 3, 1989 questions. After reviewing the questions with my client, they have informed me that they will be providing the following answers to Questions 9 and 10:

Question Nine. The only information given to the Santini Committee with respect to the Direct-To Program and its five associated operations was contained in the "Direct-To Program Agreement" already submitted to the Commission at Exhibit 2 of the March 10, 1987 NRSC Response in MUR 2314. The NRSC does not believe the Santini Committee was given any of the information or materials listed in Question Nine, paragraphs a - f.

Question Ten. The most recently known home address of Maryanne E. Preztunik, the NRSC's former Comptroller and Director of Administration is 540 Ridge, Newark, New Jersey. The NRSC has no business address on file for Ms. Preztunik since her departure from the NRSC.

We expect that these answers will be provided by the NRSC as part of its sworn Response to the Commission's February 3, 1989 Interrogatories. They are provided in this form at this time as a result of Mr. Levin's request, and in an attempt to expedite this matter as much as possible.

Sincerely yours,

Jan W. Baran
